### Program Goals

- Stabilize the individual and return them back to the community
- Deescalate the situation
- Reduce Law Enforcement Involvement.
- Avoid crisis recurrence
- Prevent out of community treatment and hospitalizations
- Engage individuals with community services
- Make appropriate referrals not limited to:
  - Addressing social determinants of health
  - Medical needs
  - Medication and laboratory testing related needs including:
    - Funding
    - Transportation
    - Housing Needs
    - Mental Health and Substance use disorder treatment needs.

# Behavioral Health Crisis Center (BHCC)
