

BEHAVIORAL HEALTH SERVICES

Legacy Behavioral Health Services, your local Community Service Board (CSB), provides mental health, substance use and intellectual/developmental disabilities services for those in the community with limited income.

---

**Jail In Reach Program offered by Legacy Behavioral Health Services is a collaboration with local community jails to provide case management through community transition planning for individuals (18+yrs) currently in custody presenting with a history of mental illness or symptoms of a mental illness. Our Community Transition Planner can help provide support and access to necessary services and resources to decrease incarceration, hospitalization, and homelessness.**
